# BODYGUARD

## HOSTAGE

No one suspects that a teenager could protect someone – but Connor Reeves is no ordinary fourteen-year-old. He's a professional bodyguard trained in surveillance, anti-ambush techniques, hostage survival and unarmed combat. When he's summoned to protect the President's daughter, his protection skills face the ultimate test.

**HAVE YOU GOT WHAT IT TAKES TO BE A BODYGUARD?  
HERE ARE FIVE TOP TIPS!**

### 1. STAY AWARE

You must be ready for the unexpected, keep your eyes open to threats and be on the lookout for any possible dangers. A good bodyguard is always in a state of Code Yellow.

*To learn what Code Yellow means, read Chapter 10 in BODYGUARD: HOSTAGE.*

### 2. BE PREPARED

Have a plan in case of an emergency, put important contact numbers on speed dial and pack a Go-bag.

*To discover what Connor has in his Go-bag, read Chapter 26 in BODYGUARD: HOSTAGE.*

### 3. FLIGHT OVER FIGHT

In a dangerous situation, the best move is to 'Escape the Kill Zone'. Put as much distance between yourself and the threat. For a bodyguard and his/her Principal, that is always the safest and most sensible option.

*To see what Connor does in a hostile situation, read Chapter 48 in BODYGUARD: HOSTAGE.*

But sometimes you can't escape, so . . .

### 4. KNOW HOW TO DEFEND YOURSELF

A good bodyguard trains in martial arts on a regular basis. He/she must be able to defend his/her Principal, as well as him/herself from physical attack.

*To discover what self-defence skills Connor learns, read Chapters 14 and 15 in BODYGUARD: HOSTAGE.*

### 5. LEARN FIRST AID

This is perhaps one of the most vital skills a bodyguard can acquire. First aid could save someone's life – which is the whole purpose of being a bodyguard.

Stay safe!  
Chris
